Ekaterinburg is one of the largest cities of the Russian Federation. It is an administrative capital of the Sverdlovsk Region and the Ural Federal District. Nowadays the city is an important center of industry, transport, finance, science and culture.

Ekaterinburg Koltsovo International Airport is Russia's largest regional airport. Over 30 Russian and foreign airlines connect Ekaterinburg with more than 80 cities of the world and, thanks to convenient transfers at international hubs, with practically any place in the world.

Website of the airport: <http://www.koltsovo.ru/en>

We have around 50 flights to Moscow every day.

If you have some troubles with searching tickets, don't hesitate to contact us. I will help you to choose the most convenient fly to Ekaterinburg.
