## **II<sup>nd</sup> INTERNATIONAL SCIENTIFIC CONFERENCE "REFERENCE MATERIALS IN MEASUREMENT AND TECHNOLOGY"**

**14-18 September 2015  
Ekaterinburg, Russia  
<http://www.conference.gssso.ru>**

**Dear Colleagues,**

We are pleased to invite you to attend the II<sup>nd</sup> International Scientific Conference "Reference Materials in Measurement and Technology" on 14-18 September 2015 in Ekaterinburg (Russia) held within the events, dedicated to the 90<sup>th</sup> Anniversary of the formation of Rosstandart.

The conference will discuss academic and practice-based issues of development, distribution and availability of reference materials (RMs) as well as regulatory issues of RMs, measurement assurance in the field of public health, pharmaceuticals, quality control, food safety, environmental monitoring, ferrous and non-ferrous industry, nuclear industry etc., international cooperation in RMs field and other general metrology issues.

The conference includes the plenary and poster sessions as well as the possibility to organize a Round Table addressed to current RMs problems.

We invite to participate in the conference foreign and Russian experts from research and metrological institutes, state regional centers for metrology, industrial sector companies, engaged in RM creation, distribution and use as well as representatives of federal executive authorities, experts in the field of legal metrology, healthcare, veterinary medicine, ecology and other interested persons.

Applications to attend the conference should be sent to e-mail: [conference@gssso.ru](mailto:conference@gssso.ru). The closing date for receiving applications is 01 May 2015.

Full description of the conference is available on the conference website
